J'S Quality Courts

Attn: Jason Sowden and Don Morehosue

Re: Tennis Court of The Month

Dear Jason and Don,

Thank you for choosing our ultra-premium Novacrylic® brand surfacing system. Your continued efforts in providing Central Florida communities a higher level of quality and service are appreciated and have not gone unnoticed. Each year Nova Sports USA provides surfacing material to dealers in all 50 states and 40+ countries around the world. The material is installed on tens of thousands of courts annually ranging from ATP/WTA/ITF/NCAA tournaments sites to local community venues.

Each month our marketing team selects (1) one facility that demonstrates superior aesthetics and outstanding workmanship. We are proud to announce that the Spruce Creek Country Club project surfaced by J's Quality Courts has been awarded the January, 2017 Court of The Month. Congratulations on this outstanding achievement and keep up the great work!
